Part X - FIN 48 Footnote (continued)

pertaining to unrelated business income, is exempt from federal and state income taxes. No provision has been made for income taxes in the accompanying financial statements, as the Institute has had no significant unrelated business income.

The Institute follows guidance issued by the Financial Accounting Standards Board (FASB) with respect to accounting for uncertainty in income taxes. A tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded.

The Institute recognizes interest and penalties related to unrecognized tax benefits in interest and income tax expense, respectively. The Institute has no amounts accrued for interest or penalties as of June 30, 2014 or 2013.

Due to its tax-exempt status, the Institute is not subject to U.S. federal income tax or state income tax. The Institute is no longer subject to examination by U.S. federal or state taxing authorities for the fiscal years before June 30, 2011. The Institute does not expect the total amount of unrecognized tax benefits to significantly change in the next 12 months.

Form 990, Part VI, Line 12c - Explanation of Monitoring and Enforcement of Conflicts

All officers, trustees and key employees complete a conflict of interest questionnaire each year. These questionnaires are reviewed by our General Counsel and action is taken if conflicts need to be resolved. We would take steps to make sure any transaction where there are potential conflicts are at arm's length and the affected officers, trustees, and key employees are not involved in the decision making process.

Form 990, Part VI, Line 15a - Compensation Review & Approval Process - CEO, Top Management

Several years prior, consultants were used to establish benchmarks for officer salary levels. Since 2009 Moody has annually reviewed the 990 salary information of comparable institutions to set benchmarks for this purpose. Information is accessed for the following positions: President, COO, CFO, Chief Educational Officer and Chief Development Officer. We typically look at 7-10 higher education institutions, some of which are competitors to Moody. We choose institutions of comparable mission and size (based upon total expenses). We look at 3-4 parachurch organizations (of generally comparable size) as well. This data is used as a salary administration benchmark. To increase its applicability, the data is adjusted for cost of living differences (based upon the location of the other institutions) in relation to the cost of living in the greater Chicago area.

Following this analysis, which is provided for review by the Compensation Committee of the Board in the spring of each calendar year, the President's salary increase recommendations are based upon Institute salary guidelines for the fiscal year (which reflect trends in national average salary increases) and upon job performance. The Compensation Committee can either approve or disapprove the President's recommendations.

Form 990, Part VI, Line 15a - Compensation Review & Approval Process - CEO, Top Management (continued)

Increases for officers and other key employees are scheduled for October of each year, so that the financial condition and performance of the institution at the close of the prior fiscal year can be taken into account.

The President's salary increase is scheduled at the same time and is set by the Board (in the context of the data provided and the current fiscal year salary guidelines for the Institute).
